SCOTTISH POLICE CREDIT UNION LTD

DIRECTORS' REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2020

The Directors present their annual report and financial statements for the year ended 30 September 2020.

Principal activity

The principal activity of the credit union continued to be that defined in the Credit Union Act 1979.

The credit union is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.

Results and dividends

The results for the year are set out on page 5.

Directors

The Directors who held office during the year and up to the date of signature of the financial statements were as follows:

Austin Dorrian
Duncan Sloan
Allan Macleod
Chris Mooney
Robert Kennedy
Ricky Mason
Craig Rankine
William Newlands
Alison Kennedy
Kevin Pollock
George Nedley
Graeme Gallie (Appointed 10 December 2019)
Lynne Hutchinson (Appointed 10 December 2019)

Compliance statement

Under the Prudential Regulation Authority rulebook the Board of Directors must report to the members at the Annual General Meeting on certain areas of compliance within the credit union. The credit union is therefore pleased to report that during the year the credit union has been in compliance with:

Depositor Protection Rules 11, 12, 14 and the requirements of rule 15 that relate to rule 11; and

PRA Credit Union Rule 2.10 (fidelity bond insurance requirements); and:

The requirements of compliance under the PRA "additional activities".

Principal risks and uncertainties

The main financial risks of the credit union are set out in the notes to the financial statements.

SCOTTISH POLICE CREDIT UNION LTD

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2020

Statement of Directors responsibilities

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Legislation requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under the Credit Union Act 1979 and the Co-operative and Community Benefit Societies Act 2014 the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the credit union and of the surplus or deficit of the credit union for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the credit union will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the credit union's transactions and disclose with reasonable accuracy at any time the financial position of the credit union and enable them to ensure that the financial statements comply with the Credit Union Act 1979 and the Co-operative and Community Benefit Societies Act 2014. Directors are also responsible for safeguarding the assets of the credit union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditor

So far as each person who was a Director at the date of approving this report is aware, there is no relevant audit information of which the credit union's auditor is unaware. Additionally, the Directors individually have taken all the necessary steps that they ought to have taken as Directors in order to make themselves aware of all relevant audit information and to establish that the credit union's auditor is aware of that information.

Auditor

A resolution for the re-appointment of Alexander Sloan as auditors of the credit union is to be proposed at the forthcoming Annual General Meeting.

By order of the board

Robert Kennedy

Secretary

10 November 2020

SCOTTISH POLICE CREDIT UNION LTD

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SCOTTISH POLICE CREDIT UNION LTD

Opinion

We have audited the financial statements of Scottish Police Credit Union Ltd (the 'credit union') for the year ended 30 September 2020 which comprise the revenue account, the statement of comprehensive income, the balance sheet, the statement of changes in equity, the statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the credit union's affairs as at 30 September 2020 and of its surplus or deficit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Credit Union Act 1979 and the Co-operative and Community Benefit Societies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's *responsibilities for the audit of the financial statements* section of our report. We are independent of the credit union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the credit union's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

SCOTTISH POLICE CREDIT UNION LTD

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF SCOTTISH POLICE CREDIT UNION LTD

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- proper books of account have not been kept by the credit union in accordance with the requirements of the legislation; or
- a satisfactory system of control over transactions has not been kept by the credit union in accordance with the requirements of the legislation; or
- the Revenue Account and Balance Sheet are not in agreement with the books of account of the credit union; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the credit union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the credit union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

This report is made solely to the credit union's members, as a body, in accordance with the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the credit union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the credit union and the credit union's members as a body, for our audit work, for this report, or for the opinions we have formed.

SCOTTISH POLICE CREDIT UNION LTD

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2020

1 Accounting policies

Background information

Scottish Police Credit Union Ltd is registered in the UK as a society under the Co-operative and Community Benefit Societies Act 2014, whose principal activity is to operate as a credit union, within the meaning of the Credit Union Act 1979. The credit union is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Co-operative and Community Benefit Societies Act 2014.

The financial statements are prepared in sterling, which is the functional currency of the credit union. Monetary amounts in these financial statements are rounded to the nearest pound.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

The Credit Union has prepared financial projections taking into account the expected impact Covid-19 on the Credit Union's financial reserves. While it is unknown how long the pandemic will last or the extent of the impact on the economy, at the time of approving the financial statements, the Directors have a reasonable expectation that the credit union has adequate resources to continue in operational existence for the foreseeable future. Thus the Directors continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Income

Fees and charges receivable either arise in connection with a specific transaction, or accrue evenly over the year. Income relating to individual transactions is recognised when the transaction is complete.

Interest receivable on loans to members and bank interest are recognised using the effective interest rate basis and are calculated and accrued on a daily basis.

1.4 Intangible fixed assets

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets acquired on business combinations are recognised separately from goodwill at the acquisition date where it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the fair value of the asset can be measured reliably; the intangible asset arises from contractual or other legal rights; and the intangible asset is separable from the entity.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Software	20%-33.33% straight line
----------	--------------------------

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

SCOTTISH POLICE CREDIT UNION LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2020

1 Accounting policies

(Continued)

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	Straight line over 10 to 25 years
Fixtures and fittings	20%-33% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

1.6 Impairment of fixed assets

At each reporting period end date, the credit union reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the credit union estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the revenue account, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the revenue account, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

1.7 Cash at bank and in hand

Cash at bank and in hand are basic financial assets and include cash in hand, deposits held at call with banks and other short-term liquid investments with original maturities of less than 8 days.

1.8 Financial instruments

The credit union has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the credit union's balance sheet when the credit union becomes party to the contractual provisions of the instrument.

Basic financial assets

Basic financial assets, which include loans to members and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

SCOTTISH POLICE CREDIT UNION LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2020

1 Accounting policies

(Continued)

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in the revenue account, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Impairment of financial assets

The credit union assesses, at each balance sheet date, if there is objective evidence that any of its loans to members are impaired. The loans are assessed collectively in groups that share similar credit risk characteristics, because no loans are individually significant. In addition, if, during the course of the year, there is objective evidence that any individual loan is impaired, a specific loss will be recognised. Any impairment losses are recognised in the revenue account, as the difference between the carrying value of the expected cash flows.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the credit union transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into.

Basic financial liabilities

Basic financial liabilities, including members deposits are classified as debt and are initially recognised at transaction price. Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Other financial liabilities

Debt instruments that do not meet the conditions in FRS 102 paragraph 11.9 are subsequently measured at fair value through the revenue account. Debt instruments may be designated as being measured at fair value through the revenue account to eliminate or reduce an accounting mismatch or if the instruments are measured and their performance evaluated on a fair value basis in accordance with a documented risk management or investment strategy.

Derecognition of financial liabilities

Financial liabilities are derecognised when the credit union's contractual obligations expire or are discharged or cancelled.

1.9 Taxation

The tax expense for the period comprises current tax. Tax is recognised in the revenue account, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

SCOTTISH POLICE CREDIT UNION LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2020

1 Accounting policies

(Continued)

Current tax

The tax currently payable is based on taxable surplus for the year. Taxable surplus differs from the surplus as reported in the revenue account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The credit union's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

1.10 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense. The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received. Termination benefits are recognised immediately as an expense when the credit union is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Judgements and key sources of estimation uncertainty

In the application of the credit union's accounting policies, the Directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Key sources of estimation uncertainty

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are as follows.

Loan Impairment

The credit union assesses, at each reporting date, if there is objective evidence that any of its loans to customers are impaired. The loans are assessed collectively in groups that share similar credit-risk characteristics. In addition, if, during the course of the year, there is objective evidence that any individual loan is impaired, a specific loss will be recognised. Any impairment losses are recognised in the Revenue Account, as the difference between the carrying value of the loan and the net present value of the expected cash flows.

3 Interest receivable and similar income

	2020	2019
	£	£
Interest income on loans	1,743,921	1,555,571

	<u>1,790,258</u>	<u>1,595,019</u>

SCOTTISH POLICE CREDIT UNION LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2020

4 Interest payable and similar charges

As shares are classed as a liability the dividend on these shares is classed as interest for accounting purposes under FRS 102:

	2020	2019
	£	£
Interest and similar charges paid during the period		
Dividend on dividend bearing shares	390,251	359,909
Distributions to juvenile members	5,784	2,836
	<u>396,035</u>	<u>362,745</u>

The distributions on member's shares represents distributions paid in the year which were approved at the last Annual General Meeting. The dividend rates approved at the previous AGM were:

	2020	2019
	%	%
Dividend rates paid during year		
Ordinary share dividend	1.60	1.55
Juvenile share dividend	1.80	1.80
	<u>1.80</u>	<u>1.80</u>

At the forthcoming Annual General Meeting the Directors will propose the following dividends based on the results for the current year. If approved these dividends will be included as a cost in next year's financial accounts once they have been paid.

	2020	2019
	%	%
Dividend rates to be proposed at the Annual General Meeting		
Ordinary share dividend	1.20	1.60
Juvenile share dividend	1.80	1.80
	<u>1.80</u>	<u>1.80</u>

5 Fees and commissions receivable

	2020	2019
	£	£
Entrance fees	3,215	3,945
Service charges	455	615
Insurance commission	754	758
	<u>4,424</u>	<u>5,318</u>

6 Fees and commissions payable

	2020	2019

Under Financial Reporting Standard 102 (FRS 102), the criteria for derecognising (writing off a loan) is different from when the credit union would write off the loan for internal purposes. Loans written off by the Board that do not meet the criteria in FRS 102 for being derecognised are not written off in these financial statements. The loans the credit union feel should be written off but which do not meet the criteria in FRS 102 for being derecognised are fully provided in the write off provision which is shown above. As a result there is no net effect on the surplus or net assets of the credit union from this requirement of FRS 102.

The credit union operates a defined contribution pension scheme for all qualifying employees. The assets of the scheme are held separately from those of the credit union in an independently administered fund.

SCOTTISH POLICE CREDIT UNION LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2020

22 Financial risk management

The credit union manages its shares and loans so that it earns income from the margin between interest receivable and interest payable (including dividends paid).

The main financial risks arising from the activities of the credit union are credit risk, liquidity risk and market risk. The Board reviews and agrees policies for managing each of these risks which are summarised below:

Credit risk

Credit risk is the risk that a borrower will default on their contractual obligations relating to repayment to the credit union, resulting in financial loss to the credit union. In order to manage this risk the Board approves the lending policy and all changes to it. All loan applications are assessed with reference to the lending policy in force at the time. Subsequently loans are regularly reviewed for any factors that may indicate the likelihood of repayment has changed. The credit union also monitors its banking arrangements for credit risk.

Liquidity risk

The policy of the credit union is to maintain sufficient funds in liquid form at time to ensure that it can meet its liabilities as they fall due and meet the liquidity ratios set by the regulators. The objective of the policy is to provide a degree of protection against any unexpected developments that may arise

Market risk

Market risk generally comprises of interest rate risk, currency risk and other price risk. The main risks impacting the credit union are set out below:

Interest rate risk: The main interest rate risk for the credit union arises between the interest rate exposure on loans, bank deposits and shares that form an integral part of a credit union's operations. The credit union considers rates of interest receivable when deciding on proposed dividend rates. Dividend rates are based on the historical results of the credit union and the credit union's strategic plans. The credit union does not use interest rate options to hedge its own positions.

Foreign Currency Risk: All transactions are carried out in sterling and therefore the credit union is not exposed to any form of foreign currency risk.

SCOTTISH POLICE CREDIT UNION LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2020

23 Credit risk on lending

The credit union holds the following security against its loans to members:

	2020	2019
	£	£
Security for loans		
Attached shares	4,013,499	3,948,321

The carrying amount of the loans to members represents the credit union's maximum exposure to credit risk. The following table provides information on the credit quality of loan repayments. Where loans are not impaired it is expected that the amounts repayable will be received in full. The status 'past due' includes any loan where payments are in arrears. The amount included is the entire loan amount and not just the overdue amount.

	2020	2019
	£	£
Loans not individually impaired		
Not past due	24,077,576	23,024,648
Up to 3 months past due	29,375	76,579
	<u>24,106,951</u>	<u>23,101,227</u>
Loans individually impaired		
Up to 3 months past due	13,545	-
Between 3 and 6 months past due	43,210	13,430
Between 6 months and 1 year past due	22,942	14,394
Over 1 year past due	52,719	55,077
Individually impaired and written off for internal purposes	23,257	19,705
	<u>155,673</u>	<u>102,606</u>
Total loans	24,262,624	23,203,833
Impairment allowance	(172,439)	(149,942)
	<u>24,090,185</u>	<u>23,053,891</u>

SCOTTISH POLICE CREDIT UNION LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2020

24 Credit risk on bank and investments

The credit union invests funds not yet actively deployed in the following investments:

	2020	2019
	£	£
Bank accounts	8,117,199	6,626,015
Bank term deposits	5,043,990	1,002,477
	<u>13,161,189</u>	<u>7,628,492</u>

The credit union believes the full amount of these investments is recoverable.

25 Interest rates on financial instruments

The following table shows the interest earned during the year divided by the average loan balance and the dividend/interest paid during the year divided by the average share balance. The average balance is taken as the average of the opening and closing balances.

	2020		2019	
	Amount	Rates	Amount	Rates
	£	received	£	received
		in year		in year
		%		%
Financial assets				
Loans to members	24,262,624	7.35%	23,203,833	7.12%
Loans and advances to banks	13,161,189	0.45%	7,628,492	0.53%
	<u>37,423,813</u>		<u>30,832,325</u>

Dividend bearing shares	(33,055,974)	1.30%	(26,989,876)	1.52%
	<u>(33,300,073)</u>		<u>(27,191,918)</u>	

26 Reserves

General Reserve

The general reserve represents the base capital of the credit union and is the retained surpluses and deficits which have not been allocated to another specific reserve.

SCOTTISH POLICE CREDIT UNION LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2020

27 Capital

The credit union classes all of its reserves as capital. The credit union manages its reserves through its financial and budgeting policies and procedures. The Prudential Regulation Authority sets out requirements for regulatory capital that the credit union must maintain. The credit union's compliance with the requirements at the year end is set out below:

	2020	2019
	%	%
Actual regulatory capital	10.00	10.49
Regulatory requirement		
Base capital requirement	7.20	8.00
Capital buffer	-	2.00
Total capital requirement	7.20	10.00

28 Financial commitments, guarantees and contingent liabilities

Contingent liabilities

The credit union participates in the Financial Services Compensation Scheme (FSCS) which provides protection for its members up to the level of protection offered by the FSCS. As a result of the credit union's participation it has a contingent liability, which cannot be quantified, in respect of future contributions to the FSCS, as required by the Financial Services and Markets Act 2000.

Financial commitments

The credit union has financial commitments of £70,461 (2019: 82,779) at the year end.

29 Related party transactions

The credit union classes the Directors and members of the senior management team as key management.

Remuneration of key management personnel

The remuneration of key management personnel is as follows.

	2020	2019
	£	£
Wages and salaries	182,870	174,687
Pension expense	27,671	26,611
Aggregate compensation	210,541	201,298

Transactions with key management

SCOTTISH POLICE CREDIT UNION LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 SEPTEMBER 2020

29 Related party transactions

(Continued)

Balances held by members of key management and their close family members in the credit union are set out below. Loans to key management and their close family members are on standard terms and conditions.

	2020	2019
	£	£
Loans to key management and their close family	105,342	117,192
Shares held by key management and their close family	90,901	134,757
	<u> </u>	<u> </u>

Other related party transactions

Five of the Directors are Trustees of The Scottish Police Credit Union Foundation (SPCU Foundation). During the year the Credit Union donated £3,200 (2019: £,3930) to the SPCU Foundation. The Credit Union also entered the Foundation's golf day and sponsored teams and prizes at a cost of £2,455.
